Teacher's Corner

Mrs. Virginia Seubert - Third Grade

3rd Grade has been an exciting and busy adjustment for both the students and myself. I need to say thank you to my amazing peers for the support I have received...especially Amanda Allen. I now remember what it was like to be a first year teacher. The 3rd Graders are busy learning their multiplication tables. We have completed fact families 0-5 and earned an ice cream sundae party. We are now visiting the world of fractions followed by division. It should be another interesting adventure. Hope everyone has a happy and healthy New Year!

Catholic Schools Week

Stag families

Catholic Schools week is a week to celebrate our faith and community. This year Catholic Schools Week will be the week of January 30th. The teacher luncheon will be January 31st. Please click the link to sign up to cover classrooms, bring in supplies for the lunch or donations. We appreciate your support!

6th Grade Service Project

Before Christmas the 6th grade homerooms collected cash and gift cards totaling \$140.00 and donated those items to St. Vincent de Paul. This helped ensure that St. Vincent's homeless guests were able to receive a thoughtful present on Christmas morning. The gift cards allowed each guest to purchase something for themselves or a family member. Great job making a difference in our community!

All School Retreat Day Help Needed! February 2nd!!

Unique Opportunity: Grades 6-8 will be using Net Ministries (<http://www.netusa.org/>) for the junior high portion of the school retreat. We need several Host Families to house and feed the retreat team as they prepare for our retreat day.

Dates: arrive Feb. 1 at dinner, leave Feb. 3rd after breakfast. Please contact Christine Evans cevans@stag-school.org if interested or for more info.

Interested in hosting a NET Team Member?

NET traveling and parish team members all spend a year away from their own families to share their faith with young Catholics across the country. They can end up in a different city every night, and “host families” are the vital part of NET Ministries that care for teams while they’re away from home.

Host families provide a place for team members to eat, pray and rest their heads each night, and many team members cite an experience at a host home as one of their favorite memories from the road. Many families welcome NET teams into their homes year after year, and stay in touch with the team members even after their time with NET has finished.

Host families do not need to worry about having enough beds for the team members they host. Every team member has his or her own sleeping bag and pillow, so floors, couches, or air mattresses work just fine.
