Teacher's Corner

Mr. Mike Kirry - Principal

The Most Reverend Donald Weurl, Archbishop of Washington, stated in a recent article that "Catholic education is all about teaching the faith. Catholic schools exist to provide our children with an opportunity not only for academically excellent education, but also a faith formation that will serve them for the rest of their lives..."

In thinking about these statements, we are reminded of the higher purpose of our school. Although we emphasize excellence in academics, the real benefit that sets us apart from other schools is the aspect of our student's faith formation. From classes to athletics, we believe that there are multiple ways to know and love God, and we strive to see His presence in all things.

Our faith calls us to be welcoming and challenges us to work for peace and justice. It ignites our passion for service and reminds us to practice compassion. We are also called to a life of prayer and to develop a deeper relationship with God, and it inspires us to be leaders who can share our faith with the Kettering community and the world.
